

Professional Health Bio-Sustainable Disposables

**Medical-Grade | Certified Compostable | Anti-Microbial
Certified Hygienic Properties + Certified Sustainable Processes**

Introducing Ezywipe Professional Use Line of **Certified Eco-Friendly 100% Rayon** Cleansing Towels and Cleaning Cloths for Healthcare. Superior hygienic Patient Care & Facility Cleaning products combined with Sustainable Processes.

Ezywipe is the only Certified Compostable & FDA approved, full-line of Cleansing towels and Cleaning Cloths available for Healthcare. Our towels & cloths are anti-bacterial, anti-microbial and lint-free, reducing the spread of germs & viruses, unlike cotton, paper or micro-fiber, resulting in a Healthier, Safer, Human & Building environment. From Patient Care to Employee & Building Health, Ezywipe provides products with a conscience across all care settings.

- ❖ Anti-Bacterial
- ❖ Anti-Microbial
- ❖ Lint-Free – Streak Free
- ❖ Hypo-Allergenic
- ❖ Odor & Germ-Free
- ❖ Certified Infant Safe
- ❖ Reduce Cleaning Product Use
- ❖ Reduce Cross-Contamination
- ❖ 10x More Absorbent

Our hygienic & eco-friendly medical products help reduce healthcare waste and environmental pollution without sacrificing the quality that Medical Professionals expect.

85%
of total hospital waste
can be recycled, reused
and biodegraded

54%
of hospitals
say green attributes are
very important

5,000,000
tons of waste
are produced by U.S.
Hospitals annually

Professional Healthcare products with a conscience...
